# LIMESTONE TOWNSHIP SUPERVISORS' MINUTES

***Attendance :*** Board Members: Walter Laidacker, Mark Cramer, Eric Egli and Secretary, Lois Hoffman
Public Attending: Tim Funk.

***Call to Order:***

Walter Laidacker called the meeting to order.

***Approval of minutes and treasurer report:***

A motion to approve the minutes of the August meeting and the disbursements for September was made by Mark Cramer and seconded by Walter Laidacker. All in favor.

***Public Comment:***

Tim Funk – Mr. Funk stated that it has been nice meeting all three supervisors. Mr. Funk questioned the road work (Oil & chipping) that have been done this summer. He questioned why California Road was not done. Walter explained to him that the township only has so much money to put on the roads and they need to work on the roads each year that are in most need. Mr. Funk spoke about the Betz Farm and how it still smells bad. He is planning on meeting with Michael Stender later in the week to discuss this problem.

***Secretaries report:***

Lois is working on the budget and asked the supervisors to think about any items they may need to purchase next year and to think about any road work they feel may need done next year. We can discuss at the October meeting. We must publish it in November to be approved in December.

***Old Business:***

Style Road – The supervisors met with Lewis Township supervisors and they discussed Limestone Twp. maintaining the road and Lewis Township will plow it. A price was not determined. Mark suggested making a contract (perhaps a 3 -year contract), that can be reviewed at the end of the contract.

***New Business***

Dept of Transportation proposed project on SR 44 spring of 2029 – The state wanted the Supervisors to let them know any issues with this road and its surroundings before they began work on it. Walter stated that this is not in our township. Lois will email Mindy Foresman from Dept. of Transportation and let her know this is not a township road.

***Supervisor's comments***

Mark and Daryl Landis will be checking out post and signs for repairs. The supervisors discussed spraying weeds in the spring

***Adjournment***

Eric Motioned for the meeting to end and Mark seconded, all in favor.

Respectfully submitted,
Lois Hoffman, Secretary
